Case #	Description	(A)ttempted, (C)ompleted, (F)elony, (M)isdemeanor	Officer
LW 1200616 <i>Battery-hff Inj [am]</i>	<p>Clegg approached the vehicle. I approached the driverside and asked the driver Tela Martin to open the door. When Martin opened the door I could immediately smell the odor of alcoholic beverages coming from the interior of the vehicle. I asked the driver for her drivers license and to shut the vehicle off to which she complied. Brian Harrison was seated in the front passenger seat and Mathis Harmon was laying down in the backseat with his eyes closed.</p> <p>Officer Clegg approached the passenger side and began talking to Harrison. I asked Harmon why he was laying down and he stated he was very intoxicated. I asked Harmon for identification and he provided that to me. Harrison began to act nervous and began trying to whisper to Harmon. Officer Clegg asked Harrison to exit the car at that time for officer safety. Harrison`s identication was collected and Harrison was found to have a felony warrant. Harrison was then taken into custody. Martin and Harmon were also asked to exit the vehicle. Harmon was searched by Officer McQuay. Pat downs for officer safety were conducted on both offenders. Harmon who had very poor balance and smelled of alcoholic beverages was found to have two capped syringes in his possession without a medical purpose. Martin who was not in custody at the time was asked if she would consent to a search of her vehicle and she consented. Officer McQuay witnessed Martin consent to the search.</p> <p>While searching the vehicle, I located in the drivers side door pocket next to the drivers seat a small clear baggy corner with a white powdery substance. Miranda was read to Martin by officer Clegg and understood. Martin exercised her rights and wanted to talk to attorney. No further questions were asked. Ofifcer McQuay read miranda to Harrison and Harmon and they understood. The baggy was packaged in a method and amount common to the distribution of methamphetamine. Martin was taken into custody at that time. Martin also stated that she knew she should not be driving because her license was suspended. All three offenders were transported to the VCCC for their charges. After arrival at the confinement center, Harrison was searched and found to have in his possession 2 grams of a green plantlike substance that field tested positive for THC.</p> <p>At the scene Martin was searched by Lt. Larmore. Ofc. McQuay performed a an outer clothing pat down again prior to placing Martin in his patrol car. During the search Martin asked if it could be documented. When asked why, she stated in case "something" was found in Ofc. McQuay`s car. While seated in the car Martin could not sit still and squirmed about continually. After arriving at the VCCC Martin stated that she "needed to piss and take a shit". This combined with the circumstances of the arrest led Ofc. McQuay to believe that Martin may still have narcotics secreted on her person. Ofc. McQuay notified the jail staff to perform another search during booking. Corrections Officer J. Wilkinson (3x2062) arrived to perform the search. When she called for another female to assist her, Martin stated "here, don`t bother with it. I will give it to you". Martin then reached into her jeans, into the crack of her buttocks and retrieved a clear plastic bag containing an off-white substance. Wilkinson turned the contraband over to McQuay. It field tested positive for methamphetamine, field weight 1.5gm.</p> <p>Brown, David Wayne (W M, 22) VICTIM of Battery-hff Inj [am] (C), at 200 N Main St, Evansville, IN, on 01/09/2012, 18:00. We were dispatched to 2121 Shelby Ave. in reference to a battery report which occurred at 2151 Shelby Ave. The resident at 2121 Shelby Ave. said a female came to her house asking for help and said she had been assaulted and raped. Upon arrival we found the victim crying hysterically. She also had an odor of an alcoholic beverage coming from her. She stated she just met the suspect and came over to his house. While inside the house she said the suspect grabbed her by the hair and pinned her down with his hands around her neck. She said she did not lose consciousness, but complain of pain in her neck and head. The victim said the suspect tried to rape her and then threw her out of the house. She had a cut on her finger which had been bleeding, but she said she did not remember how her finger got cut.

We were able to make contact with the suspect and he said he was at Buck`s Tavern. The victim showed up at the bar and they had a few drinks together. He said he met her about a week ago at a bar. After they had been drinking, the suspect said she got thrown out of Buck`s Tavern for being disorderly. About an hour later he said the victim started calling him to pick her up. He said he went and picked her up near Vann Park Apartments and brought him to his grandmothers house, which is the 2151 Shelby Ave. residence. He said she came in and they had sex and fell asleep in his bed. Later in the night, she woke up suddenly and started saying she needed to leave and wanted her phone. He said she started getting loud and yelling and he asked her to just leave. She refused to leave and said she wanted her phone. The suspect said he did not know where her phone was and even tried calling it to help her find it. She became increasingly belligerent with him and he said he had to force her out of the house after asking her several times to leave. He said he grabbed her by the foot and pulled her out of the house. She said she was going to call the police and claim he raped her if he didn`t give her back the phone.

We spoke to the victim again about what she originally told us. She did make the statement that when she left with him to come to his grandmothers she did say yes to having sex with him.
