Reported: 06/22/2011. I, Officer S. It was a lighted area on US 41 and I could see that the driver was a female with brown hair. I stopped the car at Fares/Riverside Dr. The female driver immediately jumped out. I asked her to step back into the car. I asked the female for her identification, and she stated, "I do not have it I am suspended." I then asked the female passenger for her identification. She told me that she has never had any identification and that she did not know her social security number. The female passenger also initially told me that she was 18 but then later told me that she was 19. She initially told me that her first name was "Anna" and that she did not have any tattoos, but I could see a tattoo on her neck. I looked up the "Anna" subject in our Records Management System (RMS) and there was an alert on her name that Brittany A. Bevinger uses her name and information. I looked up Brittany Bevinger and she had several tattoos listed and one was located on her neck. I also looked up her picture and it looked exactly like the passenger. I asked the driver, who is listed as an IO, what the name of the passenger was and she replied, "Its Brittany Bevinger". I ran Bevinger through NCIC/IDACS and it returned with a felony parole board warrant. Brittany Bevinger was placed into custody for the warrant and false informing.
