LW 1112935	<p>While assisting on a Domestic Violence in Progress dispatch, where the suspect had allegedly stabbed the victim, I was driving south on Baker looking for the suspect. As I passed Iowa heading south, I noticed a dark human-figure moving in the shadows. I attempted to make a sharp U-Turn to get closer to identify the figure. As I did, my front right tire clipped the southeast corner at the intersection of Baker/Iowa, causing it to leak air. No damage was caused except for the damage to the tire. I was able to stop the subject, and found that it was a male looking for the United Caring Shelter. A Sgt was notified and Tri-State responded to change the tire.</p>		CARLILE, A. T.
