Reported: 05/30/2011. We went to 831 Jackson to look for a subject wanted for Felony domestic battery. Upon arrival we found the subject we were looking for on the porch with another male. In plain sight on the porch was a clear plastic case with a greenish looking substance that we thought to be marijuana. I could see inside the window and see several more people inside. At that time a female opened the door and came out onto the porch. She then saw us and started to go back inside. I yelled at her to stop she hurried up and slammed the front door on me. I then knocked and a male answered the door. There were about 4-5 people inside scurrying around and acting suspicious. We came inside for our safety and to make sure they were trying to destroy any evidence. We stood in the living room just inside the front door and asked everyone for their I.D.'s. I Looked over and on a counter next to the fire place mantel I saw in plain site what looked to be a handgun. For our safety I went over to secure the handgun because there was a couple of people with in a few feet of it. It was a real semi automatic handgun and had a full clip. I took the clip out and secured the gun. As I went to turn around to walk back to the door I saw a clear plastic bag with a green leafy substance inside sitting on the mantel about 12 inches away from the gun. I picked the bag up and it looked and smelled like marijuana. Officer Taylor read everyone in the house miranda rights and they all said they understood them. The house belongs to Joshua Edwards. After reading everyone their rights and asking several times who`s marijuana it was Edwards then raised his hand and said "its mine sir" "Its my weed". I cited Edwards for possession of marijuana. I gave him a court date of 8-23-20112. Ticket number 8220025529. The green leafy substance tested positive for THC using a Duquenois Levine Reagent filed test kit number 908. It weighed approximately 1.5 grams. I also found a red grinder with marijuana residue inside sitting on the TV. I did not charge Edwards for this but did submit it to evidence. Enter into evidence: 1 clear plastic bag with a green leafy substance that looks and smells like marijuana. 1 Red grinder with allien on it. F/T: Positive for THC: F/W: 1.5 grams		WINTERS, R. M.
