Reported: 11/01/2011.</p> <p>The two subjects involved live together. Police were called to the White Oaks Manor Apartments at 509 N St Joe for a subject down on the lawn around 22:52 hours. When we arrived we found several subjects outside helping a subject limp to a vehicle being driven by [redacted] they advised that there was a grease fire in the building about thirty minutes earlier and [redacted] who was intoxicated, had fallen while trying to get outside and he had hurt his right ankle. They said they were helping to get him to the car but he fell and apparently someone saw that and called 911 reporting a man down. We left after they got him in the car and about five minutes later we were dispatched to a domestic violence in progress on the lot at 306 N St Joe, two blocks south of White Oak Manor. We arrived and found that it was the same group of subjects. [redacted] said that while she was driving away from the apartments, [redacted] started fighting with her and he managed to hit her in the mouth and the left ear. She had a small cut inside the ear lobe and a swollen area on the bottom right side of her lower lip. She said that when [redacted] started hitting her she grabbed a drywall saw from under her seat (she carries the saw under her seat for protection) and she said she cut him, however the scratch on his leg was on his right lower calf which is the same leg he was already limping on when we talked to him at the previous run. We called for AMR to clean up [redacted] ear and to check [redacted] leg - they both refused medical treatment. We called CSU to photograph the injuries and Det. Sides to talk to them to decide on what charges to file, if any. [redacted] did not want to pursue any charges against [redacted] for hitting her and [redacted] kept insisting that [redacted] did not cut him even though she said she did. One of the subjects with them was [redacted] brother and he agreed to let [redacted] stay with him for the night to sleep off his intoxication and to keep them separated so there would not be any further trouble between them tonight. They were both advised that a report was going to be on file for this incident.</p>	WINTERS, K. L.
