		Victim states at approximately 2129 hours the listed offender broke out the back window of his green 1999 Chev Cavalier which was parked in the alley behind the victim's address.	
		The listed witness, who lives directly behind the victim, states he saw the offender in the alley just before the window was broken out. However, he did not see the offender actually break the window.	
		I observed a large cinder block brick on the back floor board of the victim's vehicle which appeared to be the instrument used to break the window.	
		The victim has had on going problems with the offender, however, this is the first time there has been anything damaged. The offender lives across the street from the victim.	
		The offender had left the area prior to officers arriving.
