## Summary

The Evansville Police Department is investigating several residential burglaries that have occurred primarily on the Southeast side of Evansville. The burglars are targeting flat screen televisions, computer components and other electronic devices as well as cash and jewelry.

The investigation has led to the arrest of two subjects, Decedric Williams and James White Jr. An arrest warrant has been obtained for a third suspect, Rondre Cook. Police are still looking for Cook and asking for assistance in locating him.

Investigators have received information that several of the stolen televisions have been sold locally. Police are seeking the public's assistance in recovering this stolen property. If you have any information related to these cases you are asked to call the Evansville Police Department at 436-7979. Individuals who may have unknowingly purchased stolen property will not be charged with a criminal offense if they contact police.
