Re: Back 40 Parking

Beginning Monday, October 17, 2011, we will be making some modifications in the "Back 40" parking lot. There may be an occasional disruption of traffic flow or temporary loss of some parking spaces through November 4, 2011.

If you are unable to find a parking space during this period of time you may park in the Sycamore garage for free by showing your employee identification badge.

At the completion of this phase of the project there will be an additional 250 parking spaces in the "Back 40" area.

Please call if you have any questions.
