**EQUAL PAY DAY**

**APRIL 17, 2012**

According to Census data, for each dollar a male earns, a female receives only 77 cents. The wage gap is even wider for women of color, with Black and Hispanic women receiving 61 cents and 52 cents, respectively, for every dollar paid to a white male.

Wear **RED** on April 17 as a symbol of how far women and minorities are 'in the red' with their pay.
