LW 1326480 <i>Resist Law Enforcement [am]</i>	Society VICTIM of Resist Law Enforcement [am] (C), at 2800 Mount Vernon Ave, Evansville, IN, between 04:20, 12/22/2013 and 05:15, 12/22/2013. Reported: 12/22/2013.  Officers were dispatched to this address in reference to the caller finding two suspects breaking into a neighbor's car. The caller advised he chased the suspects on foot to an address approximately one block north of his location. When I spoke to the caller he described the location of the house, and Officer VanCleave and I walked into the back yard of the residence to look for the suspects.  As soon as we entered the back yard we heard a loud crash, and observed the defendant jump over a chain link fence. The defendant began running east, and I shouted "STOP POLICE" several times and the defendant did not comply. Several other officers were in the area due to the nature of the run, and I relayed the defendant's direction of travel to them. Officer Dave Brown located the suspect running east on Virginia while he was in his fully marked patrol car. He also shouted commands for the suspect to stop, and he still refused.  The defendant was seen running by several other officers in the area north of Virginia, and east of Barker. Eventually Officer Wolfe located the defendant running west directly across the street from 2801 Mount Vernon Ave. Officer Wolfe ordered the defendant onto the ground, and attempted to handcuff him. I observed the defendant struggling with Officer Wolfe, and arrived to assist. Officer Wolfe controlled the lower portion of the defendant's body, while I controlled the upper portion. Officer Wolfe attempted to secure the defendant's hands behind his back while the defendant continued to pull his arms away. Eventually we were able to overpower the defendant, and take him into custody.  While searching the defendant incident to arrest, I observed the strong odor of alcoholic beverages coming from his breath and person. The defendant spontaneously told officers that he was highly intoxicated, and he had consumed "a fifth of jager." He also advised the he was less than twenty one years of age. While obtaining identification information the defendant repeated numerous times that he was highly intoxicated. We later determined that the defendant was not associated with the original run, and he could not remember why he ran from officers due to his high level of intoxication. The defendant's alcohol concentration was 0.157 according to a PBT.		WARD, M. R.
