LW 1502211	Victim and suspect got into an argument over gas money. Suspect got out of car and kicked the passenger door causing a big dent near the door handle. Moore, Marilyn S. (W F, 68) VICTIM of Theft All Other < \$750 (C), at 401 N Burkhardt Rd, Evansville, IN, between 16:20, 01/29/2015 and 17:00, 01/29/2015. Reported: 01/30/2015.		FAIR, D. A.
	<i>Theft All Other &lt;\$750</i>		
	The victim, Marilyn Moore flagged me down at St Joseph and Maryland to ask a question. She said her phone was stolen earlier in the day at her place of employment, Wal-Mart east. She did not call the police yet, but had been using a tracking app and tracked the phone's location to some apartments on the west side near 7th and Cedar. I noted the location to go by later. The app shows the location in the middle of a parking lot between two apartment buildings. Moore said she had already been by the location and could not tell which apartment the phone was in. I took all Moore's information for the theft report. She said she took a break at work yesterday around 1620 hrs. She thinks she left her phone in the bathroom. She noticed she did not have it later and returned to the bathroom around 1700 hrs. It was gone. She said she would keep watching the tracking app and call officers if it moved to an isolated location that we could possibly identify the person with it. Moore was given case number and advised how to follow up.
