I observed the vehicle as it approached the intersection of Vann Ave and Vann Park Blvd. I ran the license plate on the vehicle to check the registration and the returned came back to a blue 1985 Dodge 4d. Seeing the plate was false, I then pulled up behind the vehicle in front of 2224 Ponderosa Pl as the suspect was getting out of the driver's seat. As I approached, I asked to speak to the suspect. I asked the suspect for his driver's license and he stated he didn't have one. I then advised him the reason for the stop and the suspect voluntarily stated he recently purchased the vehicle and the plates on the vehicle returned to his grandmother's car. The suspect produced a Indiana ID card. The BMV return showed the suspect did not have a valid operator's license. The suspect went on to say he didn't have insurance on the vehicle. I was going to tow the vehicle and began my inventory. As I began, I looked on the driver's side floor board and saw, in plain view, a semi-auto pistol in a holster and a revolver in a holster. I called for another car to assist. I continued my inventory when officers arrived. Crime Scene took photos of where the weapons were located. The weapons were recovered and found not to be stolen. I then found in a gray back pack, which was in the back seat of the vehicle, a tied clear plastic bag containing an amount of green leafy substance. The substance was seized for evidence.
