	I observed a white Hyundai passenger car traveling East on Washington Avenue just East of Green River Road drifting within it's lane and cross the white dotted line before making a turn onto Irvin Avenue. I continued to follow the car and it drove all the way to the dead end and pulled into the driveway of 705 Irvin Avenue. I pulled into the opposite driveway a little bit down the street to see what the car was going to do. I noticed the resident of the home peeking out the windows of the residence as if they were not expecting company. The car sat there for a while and I decided to approach the vehicle. I noticed that the vehicle had one tire in the front yard and was not properly parked on the driveway as the other vehicles in the driveway were. I looked inside the window and observed a female on her cell phone, completely unaware that I was standing there. I knocked on the window and the female rolled the window down. I could immediately smell a strong odor of an alcoholic beverage coming from inside the car. I noticed that the driver had watery bloodshot eyes.		
	I asked the driver if she lived at the address. She advised me that she did live there and that her sister was inside. I noticed that the driver was slurring her words badly as she spoke and had to repeat some of her words because they came out wrong. I asked the driver how much she had to drink before driving and she advised me that she had one drink. I advised the driver to stay in the car and I knocked on the door to the residence. I made contact with a female who advised me that she was scared because she had never seen that vehicle before and had no idea who the driver was.
