Reported: 03/27/2015. On 03/27/2015 at approximately 0112 hours, I was traveling west on Pollack Ave when I observed a red passenger car (Lic#WSC174) in front of me without properly working turn signals. The vehicle was turning south onto Burdette Ave from Pollack Ave and the turn signal lit up but did not operate properly. I initiated a traffic stop of the vehicle on Burdette Ave just south of Pollack Ave and made contact with the driver, identified as W. Bentle. As I was talking to Bentle I observed the strong odor of marijuana coming from the vehicle. I asked Bentle when was the last time someone smoked marijuana inside the vehicle and he stated that he may have earlier when he got off work. At that time I returned to my fully marked patrol vehicle to run Bentle's information through my in car computer and Officer D. Kemmerer arrived to assist. I advised Ofc. Kemmerer what I had observed as far as the odor of marijuana. I approached the vehicle and asked Bentle to exit the vehicle for me, which he did. I asked Bentle if there was anything else inside his vehicle and he told me that he had a pipe that he used to smoke with earlier. I asked him if there was any marijuana inside the vehicle and he said he had a small amount in there. I asked him where it would be at and he told me either on the floor or in the center console. Due to the odor of marijuana a search of the vehicle was conducted and a small amount of marijuana and a pipe used to ingest narcotics into the body was located inside the center console (which is were Bentle stated I would locate the narcotics and paraphernalia). The marijuana had a field weight of 4 grams and tested positive for THC using a 908 Duquenois-Levine reagent test kit. Bentle was cited for the possession of marijuana and paraphernalia and released from the stop. The narcotics and paraphernalia were placed into evidence in the narcotics lockers at headquarters. | | BETZ, D. J. |
