He told her he could look it up and see what kind of deposit she would receive. He said it would be \$2,400 all together. He explained to her the check would go into the bank account at 5/3. He told her she would then fill out a money gram for his portion. He then told her she could take her portion out at the ATM. On the first day this occurred she went and checked her account. It showed a check of \$1,396.97 was deposited. He told her after she sent a money gram for \$1,020 she could take \$300 out of the ATM.</p> <p>"James" would contact her every morning and have her go to Wal-Mart between 7-9 a.m. to get a money gram. She went to the bank and they told her that her money was actually withdrawn. She contacted "James" and asked what happened to her money. He said her \$1,100 would be on her account in less than 20 minutes. He then turned off his phone and there hasn't been any verbal communication since. She texted him today and advised him she was contacting the police and his response was "ok."</p> <p>The two names he had Nicole make the Money grams out too were Terrela Thornton and Jierra Wynn.
