LW 1510808 <i>Narc-poss Marijuana, Hash Oil, Hashish, Salvia, Synthetic</i>	<p>Society VICTIM of Narc-poss Marijuana, Hash Oil, Hashish, Salvia, Synthetic (C), at 899 N Saint Joseph Ave/w Maryland St, Evansville, IN, on 05/22/2015, 00:43. Reported: 05/22/2015.</p> <p>cross w/ #1510804</p> <p>On 05/21/15 at approximately 22:48 hours, I was on routine patrol when dispatch put out a BOL for a subject "driving like a maniac". The subject was reportedly driving a white Dodge Neon and following the caller, who also said that he thought it might be a "road rage" incident. The caller was driving a red Ford Aerostar van and was headed to the area of St Joe and Maryland with the suspect still following. I arrived at that intersection and saw the caller's vehicle turning onto the Taco Bell lot with a white 4D vehicle following. The driver of the white vehicle looked over at me, then drove south thru the lot to the alley and turned east, attempting to get to St Joe. I was able to turn on the lot and was driving toward the suspect's vehicle ( Indiana passenger car plate "734LXJ"); I was able to make eye contact with him and pointed at him, yelling at him to stop. He looked at me, then at the street and was continuing thru the alley toward St Joe until he saw a second police car sitting on St Joe just east of the ally so he would not be able to drive out. I got out of my car and yelled at the suspect, later identified as the defendant Zachary Young, to shut his car off and show me his hands. Young just stared at me without cooperating and I kept repeating the command to show me his hands while I was approaching his vehicle. He eventually raised his hands up reluctantly and when he did, I walked up and saw that he had a large can of mace sitting on his lap. Young was ordered from his vehicle and handcuffed while we were investigating the incident. I did advise him that I was securing him but that he was not under arrest at that point. Young was loud and uncooperative, repeatedly cursing at us as we tried to make sense of his version of what had happened. He said the subject in the van was impersonating a police officer but had actually robbed him. He then said that he wasn't robbed because he didn't have his money in his wallet. I asked him where his identification was and he said it was in his wallet and that the wallet was somewhere in his car. I got into the vehicle to get his wallet and saw in plain view on the driver's side floorboard, a partially smoked hand-rolled cigarette consistent with a marijuana cigarette based on my experience and training. I reached over to pick it up and when I did, my left hand pushed over and moved a seat cushion on the driver's seat; under the seat cushion, there was a glass tube with a bulbous end on the seat with a thick coating of residue inside it. The tube is consistent with narcotics paraphernalia based on my experience and training. I found the wallet in the center console of the vehicle</p>	WINTERS, K. L.
