LW 1511465 <i>Battery-simple Assault Other [am]</i>	<p>Greenlee, Aimee Lynn (W F, 38) VICTIM of Battery-simple Assault Other [am] (C), at 1514 E Illinois St, Evansville, IN, on 05/30/2015, 03:44. Reported: 05/30/2015.</p> <p>On 5/30/2015 at approximately 0344 hours, Aimee Greenlee called 911 to report her neighbor had assaulted her. On scene, Greenlee stated she had been over at 1513 E Illinois St this evening talking to neighbors. She advised they have been drinking and at one point, Bogenschutz started speaking negative towards her about past issues. The two were not getting along and Greenlee left to go home across the street. Greenlee stated she could hear Bogenschutz and others still talking about her from inside. She stated she went outside and started talking to them from across the street since they woke her family up by being loud. At some point, another neighbor (suspect) walked over by the sidewalk in front of 1514 E Illinois St (where Greenlee was at) and started arguing with Greenlee. Greenlee added that she pushed the suspect back away from her during the argument and the suspect then started hitting her with her hands. Another neighbor, Bengert, intervened and pulled the two a part. Greenlee then went inside and called 911. Greenlee stated her daughter saw the fight as well. I then asked her daughter in Greenlee`s presence, what took place. The daughter stated she saw another person pulling her mom`s (Greenlee) hair, but could not remember much else. Greenlee had visible scratches on her forehead and upper chest area.</p> <p>I then went across the street to 1513 E Illinois St and spoke to the other involved subjects. The suspect stated how Greenlee was arguing with others at this address before she left and came back home across the street. Greenlee looked like she was injured so the suspect went to ask if she was okay and the two started fighting. The suspect stated that Greenlee pushed her on the ground and that it hurt but was not pursuing charges at this time. She also had a scratch on her left arm. The suspect advised this all started because of Bogenschutz`s and Greenlee`s argument. Bogenschutz stated she only had a verbal argument with Greenlee.</p> <p>Greenlee was advised to follow up with the Prosecutor`s Office. I advised her to call back if she had any further problems. Greenlee stated she was going to leave for the evening. Before I left, Greenlee added that she had her keys on the porch, but that they were missing now and she wanted that information in the report.</p>	KARGES, M. T.
