	<p>months pregnant and was told today by the doctor that she was having a boy. Monique said that the offender is the father and that they have no other children in common.</p> <p>Monique and the offender have been arguing since yesterday (5/19). Today Monique and the offender were in their bedroom together and the offender was in her face yelling. Monique pushed the offender away from her. Monique then sat on the bed and the offender came up to her and put both his hands around her neck and applied pressure. Monique said that the offender held her neck for about three seconds. Monique had difficulty breathing and experienced pain. Monique said that she cried for a moment and the offender left in a vehicle.</p> <p>I gave Monique a case number and advised her how to obtain a protective order and how to press charges. Monique is going to stay with Sonja for the evening. Sonja says that she is going to help Monique file paperwork tomorrow (5/21).</p> <p>I didn't notice any visible injury to Monique but she stated that her neck felt swollen.</p>
