<i>Custody Dispute</i>	<p>I was dispatched to the above address in reference to a standby. The victim called 911 because he wanted to pick his children up from daycare and take them to lunch. The victim stated that the daycare refused to give him his children, even though there was a court order allowing him to get his children. I reviewed the court document and it did state that the victim was allowed to get the children for visitation. The IO (mother) arrived and I spoke with her as well. The IO provided me with the same document that the victim did. At the bottom of the court document it clearly stated that " if the mother feels for any reason that her safety or the children`s safety is compromised then the mother can withhold visitation. The IO stated that she felt the children`s safety was in question because the victim was arrested for Domestic Battery in front of their children over the weekend. The IO refused to allow the children to go with the victim.</p> <p>The victim was given a case number and advised to have another hearing on the matter.</p>
