	<p>On 060915 at approximately 1430 hundred hours, I [SeDoris] was dispatched to 839 Keck Ave in reference to a female possibly having a mental breakdown. I spoke with the females case worker who advised that he has attempted to evaluate her and believes that she is having a schizophrenic episode. He stated that she was giving away her kids and wasn't making any sense. I walked up and the female was outside and her door was cracked open. I performed a protective sweep of the residence and came back outside to speak with her. After talking to her, I evaluated she did not meet the criteria for a CIT report to be filed. She agreed to go speak with someone at the hospital of her own free will. I asked her if she had any keys to lock her doors up and she said, "Yeah, go find them!" I began looking on the kitchen table and other places she may have placed them. On the stove in plain view, I observed a gold in color smoking pipe with residue laying next to a clear plastic baggie, containing a brown crystal-like substance. I collected both items.</p>		
	<p>The case worker located her keys and we locked the apartment up. The female was taken to the hospital at her own request for an evaluation. I tested the unknown substance for meth, heroine and synthetics, but the substance did not test positive for any of the three.</p>		
	<p>Entered in to evidence: -GOLD IN COLOR SMOKING PIPE WITH RESIDUE -UNKNOWN BROWN CRYSTAL-LIKE SUBSTANCE F/W-11G</p>
