<i>Theft All Other &lt; \$750</i>	<p>On 07/08/2015 I was dispatched to 100 S Green River Rd in reference to a theft that just occurred. When I arrived I spoke to the reporter, R. Skelton-Bates. Skelton-Bates stated that her third shift employee, V. Patel was advised that a subject had just stolen a television from room 275. Patel said that he went to the room to check and he observed that the television was gone. The witness, A. Barnett advised Patel that she observed a white male leave room 275 with a television under a blanket. Barnett said that she was outside and saw the male subject exit the room and asked him for a lighter. The male subject said he did not have one and then Barnett said she heard a vehicle nearby start up. The vehicle was occupied by a white female that Barnett described as being in her early 20's with blonde/brown shoulder length hair. Barnett said that the female moved the vehicle to a handicapped parking spot at the bottom of the stairs and then parked. Barnett went and asked the female for a lighter and the female let Barnett use the vehicle lighter. Barnett described the vehicle as a mid 90's four door white Pontiac Grand Am. Barnett said she then observed the male subject that came from room 275 walk down the stairs with the television under the blanket and place it in the vehicle occupied by the unidentified female. Barnett said that once the male subject had the television loaded into the vehicle, the male and female left the property traveling west between two buildings and then Barnett lost sight of them. The room that the male subject came out of with the television was registered to R. Cogswell.</p>
