Reported: 09/10/2015. On today`s date, around 2348 hours, Ofc. M. Reid was flagged down by the Devona Gold reference a battery. I arrived on scene as Ofc. Reid was speaking to Gold. The male subject I identified as Gregory Armstead. I asked Armstead what happened and he said they were just arguing. Armstead said Gold stays with him off and on, but does not live with him. Ofc. Reid informed me that Gold told him Armstead hit her in the face while they were walking to his place from Kennedy Towers. Gold said she did not want to press charges and just wanted to go her own way and did not want Armstead going with her. She said they do not live together and that he lives around the corner on Court St. and she lives with her mother at Kennedy Towers. Gold said her face felt swollen. I observed Gold had a small red mark on her right cheek and minor swelling under her eye. Because Gold did not want to pursue any charges they were both sent on their separate ways. Before leaving the scene at MLK and Vine, Gold started walking back toward Ofc. Reid and myself and stated that Armstead had her cell phone and she wanted it back. Gold then said that she was with Armstead in her grandmother cars at Kennedy Tower listening to music. Gold said Armstead took her phone and that`s when he hit her in the face. She asked for her phone back from Armstead but he refused to give it to her. They then left Kennedy Towers together and she said she was just going to walk with him halfway to his apartment. We went to 709-B Court St. to make contact with Armstead again since we had already released him to ask about the cell phone. Armstead denied having or taking the cell phone from Gold. Since Gold could not get her cell phone back she decided she wanted to pursue charges for both battery and for him taking her cell phone.		HARRINGTON, M.
