LW 1522733 <i>Incident Rpt Misc</i>	<p>Society VICTIM of Incident Rpt Misc (C), at 290 Hunter Dr, Evansville, IN, between 17:42, 10/11/2015 and 19:40, 10/11/2015. Reported: 10/11/2015.</p> <p>Officers were dispatched to 290 Hunter Dr today, 10-11-15 at 1847 hrs, for Brian Fleming who was intoxicated and had a needle hanging out of his arm in the middle of the street. The original call came in at 1743 hrs, but units were not available at that time to respond due to other runs. Another call came in at 1844 hrs from a different neighbor who was calling for an ambulance for Brian who said he had shot up meth. I, Officer Buelstel, was first to arrive on scene at 1853 hrs. I spoke to one of the neighbors who said that Brian was in the street, but has since walked up towards his house at 290 Hunter Dr. The neighbor did state that Brian told him that he threw the syringe in the woods just prior to Brian walking up to his house as he did not have the needle in his arm any longer. I then proceeded to walk towards the residence and spotted Fleming sitting on his front porch. I approached Fleming who said that his chest was hurting. There was an almost empty bottle of vodka at Flemings feet. Fleming was mumbling his words, had blood-shot eyes, and was talking randomly. Fleming was also hallucinating and swatting at something, but there was nothing there. Fleming admitted to shooting up what was supposed to be meth, but he wasn't sure what he shot up. Fleming showed me the track mark on his arm. Fleming went with AMR to St Marys for medical treatment.</p> <p>As officers were leaving, several neighbors approached to ask what was going on tonight with Brian. The neighbors then expressed their concern for their safety and their hindered lifestyle living near Fleming who has been causing chaos in the neighborhood for years. The neighbors are afraid of Brian and what he may do. Fleming`s neighbors to either side of his residence are afraid to walk in their yard as they may step on a syringe. The neighbors are fed up that he keeps getting arrested and released. I have been on EPD nearly 10 years myself and I have dealt with Fleming on numerous occasions and have locked him up. I told the neighbors I would look into the matter further to try and help the situation.</p> <p>I assisted with Fleming being arrested in August and discovered he is out on bond on that case. Docket # 82D03-1508-F6-004959. I also discovered that Fleming was arrested in September, 2015, for Public Intoxication. Fleming plead guilty and was released on probation for one year after serving 3 days in jail. See docket 82D01-1509-CM-005423. It was noted as a condition of his sentence to probation that he is not to consume any alcohol and is to have daily breathalyzer tests.</p> <p>This report will be forwarded to probation as Fleming was in violation of his probation by drinking alcohol and getting high.</p>		BUELTEL, D.
