LW 1524214	<p>Previously, the breaker box blew because the offender was running extension cords to two campers in the backyard. The campers are also being rented out by the offender. Officers have had several runs at this property dealing with the various tenants. The living conditions are extremely poor and the campers do not have running water. During a previous run on 10/23/2015, IO #1 John Mosley, was living in one of the camper trailers behind the residence. He advised he paid \$350/month to live in the camper and his power was supplied by an extension cord running from the house. Mosley said, as part of his rental agreement, that he was allowed to go into the residence to use the kitchen area and bathroom. Mosley said he rented the camper from the offender.</p> <p>On today`s date, officers made contact with the offender at his residence. The offender advised he did not "cut off" the electricity to the residence. He said Dia and Slone were responsible for their utilities and he was not responsible for the properties. When asked about the campers in the backyard he denied renting the campers to tenants. The offender explained that he had a string of bad tenants and they take advantage of him because he was "too nice." Officers explained to the offender that he needed to seek evictions against his tenants if they were not holding up their end of the lease agreement.</p> <p>Officers are frequently dispatched to this address for various issues. The offender has been a common complaint in most of the runs at the address. Please forward this to the Crime Free Multi-Housing Unit.</p>	<p>Walmart N Burkhardt, Store #1263 VICTIM of Theft Shoplifting &lt; \$750 (C), at 401 N Burkhardt Rd, Evansville, IN, between 16:04, 10/29/2015 and 16:10, 10/29/2015.
