| Case # | Description (A)tttempted, (C)ompleted, (F)elony, (M)isdemeanor | Officer |
|---|--|------------------------|
| | <p>The offender told officers he left the house last night because he had been in a heated argument with Shirel. During the argument the offender said he "pinned" Shirel against the wall. Afterward, he decided to leave the residence before anything more serious occurred. The offender returned to the home today to retrieve his belongings. However, he found many of his valuable items laying in the backyard.</p> <p>I entered the residence and spoke with Shirel regarding the incident. She was crying and visibly upset. Her daughters, VI #2 and WI #1, were with her inside the house. They were also upset and crying. I had VI #2 and WI #1 stay in their bedroom with the door shut while I spoke with Shirel in the livingroom. Shirel said the offender put his hands on VI #2 last night. I was not able to get much information out of Shirel because she was crying. She said she wanted VI #2 to tell me what happened. At that time, she called for VI #2 to come out of the room and speak with me. VI #2 and WI #1 both talked to me about what occurred.</p> <p>VI #2 said she was playing and jumped on the offenders back. The offender became upset and he hit VI #2 in the stomach, causing pain. Afterward, WI #1 said the offender grabbed a hold of Shirel and struck her. WI #1 made motions of "slapping" with her hands. When WI #1 revealed this information, Shirel began to cry more and admitted to the offender putting his hands on her.</p> <p>While the offender was on scene he retrieved his belongings from the residence. I asked him to explain the incident that occurred last night. He said he had ongoing problems with his shoulders and VI #2 hurt him when she jumped on him. In response, he pushed her off and playfully smacked her stomach. This caused Shirel to become infuriated with him and they got into a heated verbal dispute. During the argument, the offender slammed his phone on the diningroom table and it bounced into the kitchen. Shirel picked up the phone and threw it at the offender. Afterward, the offender admitted to grabbing Shirel by her shoulders, near her neck, and pinned her against the kitchen wall. He advised he did this because he was afraid of what she might do next.</p> <p>Shirel was provided with a case number and a notice of victim rights. Officers also gave her a list of social service agencies in the community to assist her. Shirel was encouraged to seek a protective order against the offender and was given the proper information to acquire one.</p> | |
