<i>Child-custody Interfere [bm]</i>	Officer was dispatched to 5087 Tippecanoe reference a custody dispute. The mother, Davis, reported the father, Persinger, was allowed the child in common yesterday, 01-13-17, at 0830 hours. Davis explained paternity has been established, but there is no legal custody agreement. Davis advised she allows Persinger to see the child in common sporadically. Davis stated Persinger had been paying child support for awhile, but hasn't in 6 months to a year. Davis reported any exchange with the child in common is done by Persinger's 22 year old girlfriend because Persinger has a warrant. According to Davis the court wouldn't set a new court date for custody until Persinger's current warrants were served.		
	Davis advised communication with Persinger is done by his 22 year old girlfriend's Facebook account as he refuses to give Davis his current address or contact number. Davis reported she had heard from the girlfriend and that the child in common needed medical care. It was agreed the child would be taken to Deaconess Gateway.		
	I encountered the 22 year old girlfriend, DeClue, at Gateway who was passive aggressive in that she denied any of this was her responsibility and she just wanted to leave. DeClue minimized her involvement and advised this was Persinger's responsibility. DeClue didn't want to identify herself but eventually did. DeClue advised she didn't know where Persinger was living even though they are together and have a child in common as well. DeClue reported Persinger did use her address as a mailing address for himself which is 760 E Olmstead.

<i>Theft All Other</i>	At approximately 0905 hrs on 1/14/2017 I was dispatched to 4400 Covert Ave (Hardee's) in reference to a Bunco Report involving counterfeit money. When I arrived, I spoke with the manager Jana Frederick (RP) who stated that the restaurant was very busy around 0900 hrs and she was working the drive-thru window when a heavy-set B/F came through in a gray/silver Chevy Malibu or Impala vehicle and placed an order for food. The B/F (OF) paid for her food then asked Frederick for change for a \$100 bill. Frederick was very busy so she gave the OF change (all in \$20 increments) without checking the \$100 bill for authenticity. After the fact, Frederick remembers that the OF had the \$100 bill wadded up in her hand and would not release the \$100 bill until she had received the \$20 bills in her hand. The OF then sped off in the described vehicle. A few minutes later, Frederick took the time to test the \$100 bill that then tested as counterfeit and called 911. I recognized the \$100 bill as currency used as a movie prop and this was also printed on the bill. This same serial number has been used (reports taken) several times.		
	A copy of the report along with the counterfeit \$100 bill will be placed into Bunco mailbox at HQ. According to Bunco this is not to be filed as Counterfeiting but Theft (by deception) instead.
