In the message it stated, "You shouldn't block me". Becht showed me a separate text message that read if she did not contact the sender, the sender was going to "send the pictures". Neither of these messages had the name of the sender in them. Becht advised she has blocked Wallace on social media and he keeps contacting her through "fake" accounts.</p> <p>I advised Becht that I would take a report, but it would be difficult to pursue charges since I was not able to verify that the messages were actually coming from Wallace. I advised Becht to keep Wallace blocked and save any further messages that she gets from him. I also advised Becht to call back if Wallace did post any of the photographs. Becht was given the case # for her records.</p>		KARGES, M. T.
