<i>Burglary Of A Dwelling</i>	<p>Officers were dispatched to this address in reference to a burglary in progress. When officers arrived they spoke to the witness and they stated that they observed an unknown white male run out of this address with something in his hands. The witness said they have never observed the suspect at the resident before and were concerned for the resident that lived there. They said while officers were enroute they observed the lights inside the residence shut off and the front door close. Officers started to look around the residence and observed the rear bedroom window was broken out. We were able to make contact with the victim who was still inside the residence through the broken window. We identified ourselves as police officers and she was able to open the front door for us. We made entry into the residence and cleared it to ensure that the suspect was no longer on scene. Once the residence was cleared Deputy Bush arrived and his K-9 started to track for the suspect. I spoke to the victim and eventually made contact with her son and had him come to the scene. We were advised that the victim's television was taken from her residence during the burglary.
