Reported: 07/30/2017.</p> <p>Officers were dispatched to Arbors East Apartments in regards to a possible break-in at an apartment. The caller was the parents of the resident. They had been unable to make contact with their daughter and could tell that the door to the apartment had been forced open. Prior to our arrival they were able to make contact with their daughter V-Heather Warlick. Warlick was not at the apartment, she had left with her two kids and dog a few hours prior. She was back in route to meet with her parents IO-Kenneth Bailey and the police at the apartment. While waiting for Heather, her parents advised that she`s had several problems with her estranged husband including battery.</p> <p>Once V-Heather Warlick arrived, she advised that the damage to the door was new but denied that her estranged husband OF-J.W. had been there or was currently there. The door had obviously been kicked due to visible damage (pictures were taken of this by Crime Scene) but the dead bolt was currently locked and keeping the door shut. Heather unlocked the door for Officers. K93 Elfriech and K96 Thomas were on scene to assist Officers M.Wilson and J. Smith in clearing the apartment. Sgt S Shirley was on scene also. Once the apartment was cleared and the OF-J.W. was not located, Officers did notice parts to the door locks were on the kitchen counter. Also inside of the busted door, on the floor, Officers noticed a hammer and nails as if someone was attempting to fix the damage.</p> <p>Officer M Wilson and K93 went and spoke with Heather, who was waiting outside with her parents and children. Heather was asked again what had happened to her door because it was obvious due to the location of parts from the locks and the tools laying in wait to fix the damage, that this didn`t just occur. I then noticed there was a bruise above Heather`s lip and asked her what had happened to cause the bruise. One of her family members then asked Heather to remove her sun glasses and you could see that Heather had a black eye on the left side of her face. There was also swelling and bruising to her left cheek and above her left eye brow. Upon looking at her further you could see marks also on the right side of her neck and a large rug burn on her left forearm.</p> <p>Heather became visibly shaken and upset. Heather said that she didn`t want her kids taken from her. She finally admitted that while she was in bed sleeping the night before, sometime after 11pm, she heard her door being kicked in. The OF-J.W. then made entry into the apartment and argued with Heather. OF-J.W. became angry and began beating Heather with his fist. The two children that the</p>		WILSON, M. R.
