Reported: 08/25/2017.</p> <p>The reporter, Tara, states that today she let her ex-husband's parents watch her daughter (VI), so they could spend time with her. Later that morning, the parents had a doctor's appointment at the Ohio Valley Eye Institute. While at the doctor's office, Tara's ex-husband's new wife, Jessica, came out to see the victim and talk to her in-laws. Jessica works at the Eye Institute. Jessica then tells her in-laws that she was going to take the victim to her house, so Josh (IO), the biological father, could spend some time with his daughter. The parents told her no, but she did it anyway. The parents then called Tara and advised her of what was going on. While on the phone with Tara, Jessica ignored the parent's and Tara's order of "no" and took the victim anyway. The parents then told Tara what happened. When Tara asked why they didn't try and stop Jessica, they stated they didn't want to cause a scene. Tara tried calling Josh, her ex-husband (IO), but he was asleep.</p> <p>When I arrived on scene at Josh's residence, I spoke with him to get his side of the story. Josh stated pretty much the same thing, but said that Jessica told him she did have permission to take the VI. It was explained to Josh that even if Jessica did have permission from his parents, the parents did not have authority to give it. I told Josh that only the mother can give permission for someone she doesn't know to take her child. Josh was told that this can not happen again! Tara had no idea where Josh had moved to, nor did she have Jessica's number to contact her. Josh stated he understood and I asked that he clearly explain it to Jessica in no uncertain terms, because this can not happen again ever! Josh was also advised that criminal action could possibly be taken in the future. Josh stated he understood. Tara wanted an incident report only, she does not wish to seek any criminal action.</p>		PYLANT, R. E.

Reported: 08/25/2017.</p> <p>Officer was dispatched to 5555 Eden Dr in reference to a silver Dodge Ram that was running into a parked enclosed trailer.</p> <p>Upon arriving the Dodge Ram was no longer on scene. I spoke with a witness-D Oliver, maintenace for Eden East Apts. Oliver said that he had observed a silver Dodge Ram pull into the parking lot in front of 5555 Eden Dr and deliberately run into a parked enclosed trailer. He then watched as it backed up and ran into the trailer two more times before stopping, going into 5555 Eden Dr and then getting back into the truck and leaving.</p> <p>I spoke with an individual at 5555 Eden Dr, IO-Rachel Frank. R. Frank said that it had been her son that hit the trailer and that the trailer is her's. She wasn't concerned with the fact that he had done extensive damage to the trailer. When R. Frank's son hit the trailer it pushed the trailer into a light pole belonging to the apartment complex. This cracked the concrete at the base of the pole. RP-A Simmons, apartment manager, was going to contact Head's to come out and check the status of the light and for potential damage. R. Frank said that she would take care of any costs involved.</p> <p>Simmons is concerned that R. Frank will not make good on saying that she will cover the costs due to R. Frank not actually being on the lease and the apartment manager wanting R.Frank and the rest of the individuals that have been staying at 5555 Eden Dr be off the property by 8pm this evening. The only actual resident of 5555 Eden Dr is Helen Frank. Rachel Frank was advised of this and she said that she and the rest of the family that aren't residents of this address will be gone by 8pm this evening, along with the trailer. Rachel Frank wouldn't give me information in regards to the individual who hit did damage to the trailer and light pole other than it was her son Cody and that he's not from here.</p> <p>Management was advised to call back if they see the silver Dodge Ram return so that I can identify the driver of the vehicle and get vehicle information. They will also be calling back if Rachel Frank is still on the property after 8pm.</p>	WILSON, M. R.
