<p><i>Criminal Mischief [bm]</i></p>	<p>At 0923 hrs on 9/23/2017 officers were dispatched to 1312 Lee Ct in reference to a subject (OF) who had just kicked in the back door of the apartment and there was possibly a P/O against the suspect. While enroute to the address, it was discovered that the alleged OF had an Active Felony warrant for his address as well. When I arrived, multiple occupants of the apartment stated that they heard a loud crash followed by the sound of someone inside the apartment and objects being damaged inside the house. All occupants stayed upstairs to protect the 9mo baby and did not come downstairs to confront the suspect prior to the suspect fleeing the scene. All occupants immediately suspected the OF because the VI (D.Milan) and mother of his 9 mo daughter lives at the address along with her mother who obtained a PO against the OF after he assaulted her and broke her jaw. When the occupants came downstairs they saw the back sliding glass window had been shattered with a brick that we found inside the kitchen area that was not there prior. The 9 mo old daughter's flat screen television had also been completely destroyed. Cheatam showed me a temporary PO [82D071708PO4285] against the OF filed on August 14th. Further investigation showed the PO had been dismissed by a judge due to no service. Milan and the OF have been broken up for two months and the OF has not stayed at the 1312 Lee Ct address from over two months. Milan was given a case number and instructed to obtain her own PO.</p>
