Sapp had slight discoloration around the right eye and was complaining of kidney pain from being kicked. Wilson had a cut on his left ear.</p> <p>Incident Rpt Misc (C), at 4201 Munsee Trl, Evansville, IN, between 17:00, 11/29/2017 and 17:14, 11/29/2017. Reported: 11/29/2017. No victims listed.</p> <p>Officers have made more than 10 runs since July, in regards to IO-J Stock calling in complaining of noise. All of these runs have been unfounded. I have spoken with the manager of Delaware Trace and he has also been called by Stock and has gone to her apartment and found there to be no loud noise.</p> <p>On this evening I went to Apartment D and asked if there has been any loud noise. The resident here said that she`s lived here for 7 years and has never had a problem until Stock moved in and she complains about everyone. Apartment D said that there are no noise problems.</p> <p>I then went to Apartment E, the apartment being complained on this evening. I spoke with the resident IO-D Hixson. Hixson is handicapped and has also lived here for about 7 years. Hixson said that Officers were just at his apartment on Thanksgiving and the day after. There was nothing loud as I stood outside his door this evening and have done so on previous occasions. There are two stairwells between Hixson and Stock and then two additional walls. It would have to be extremely loud in Hixson`s apartment for Stock to be able to hear the slightest noise.</p> <p>I then went to Apartment H and spoke with Stock. Stock believes that all of her neighbors are trying to make her look crazy. I told Stock that there has been no evidence to support her claims of noise. I asked Stock if she has a cell phone and she said that she does. I told her that she could record these noises. Stock said that she had the same issues when she was living in Haubstadt and had to move from there. She asked if I thought she was going crazy. I advised her that she might want to speak to her doctor, that there could be something going on that she`s hearing noises that are disturbing her. She insisted that her neighbors are the problem and she became angry with me and told me to leave as she was waving her hands at me.</p> <p>The case number was given to the resident at Apartment E and to the Office manager.</p>		WILSON, M. R.
