She said that the listed witnesses told her that the suspect vehicle had collided with her vehicle as it was pulling into the space next to it (to the north). I was given a license plate number of 259ROE. The plate returned to a HOUSMAN, KADYN AINSLEY-JOSEPH and Leann Allensworth. The vehicle registered to them matched the description of the suspect vehicle that was given by the witnesses. At least one witness also described the suspect driver as having a beard and mustache with dark hair. That description also matched the DL picture of Houseman. The registration also returned to Allensworth. Allensworth had been inside Kelly Services filling out an application. Witnesses saw her leaving and getting into the passenger side of the suspect vehicle. I obtained Houseman's TX and called him. He admitted that he had been at the Kelly Services parking lot, driving the suspect vehicle but denied that he had hit another vehicle. He continued to deny it after I told him there were three witnesses. The damage to the victims vehicle was on the drivers side behind the drivers door. Damage to the suspect vehicle would likely have been on the front right (passengers side) bumper.</p> <p>I advised him that I was taking a Hit and run report and that I could submit the hit and run report or do an accident report.
