LW 1820488 <i>Omvwi - With Prior Omvwi Causing Sbi</i>	<p>Society VICTIM of Omvwi - With Prior Omvwi Causing Sbi (C), at 1320 Se First St, Evansville, IN, between 23:15, 09/17/2018 and 23:22, 09/17/2018. Reported: 09/18/2018.</p> <p>Officers were dispatched to a accident at the listed location. Upon my arrival I observed the suspect later identified as Marcus Osborne in the middle of the street stumbling and yelling at the victim of the accident. I then spoke with Osborne and asked him to get his ID and insurance information. I then spoke with the IO who stated that she was in the house and observed Osborne in a tan Impala backing up attempting to leave the scene and then she called police. I then gathered her information and returned to Osborne who had gathered his belongings again and then threw them in the back seat. Osborne stated that he did not have his ID on him and that he was not driving. Osborne stated at first that his girlfriend the owner of the vehicle was driving. I then explained that I was going to have to file charges of Hit and run against her and then he advised it was not her after all. Osborne then stated that it was another guy but he was not going to snitch on him. A neighbor then stated that she saw him get out of the car which she later admitted that she did not. Osborne then stated that he would tell me who really was driving and stated that it was a passing female that was a neighbor that came out to see what was going on. I then attempted to ask Osborne several times to move by my car to perform the standard field sobriety test but he refused. I then placed Osborne into handcuffs and read him is implied consent which he stated that he refused to submit to a test. Osborne then began to kick at my window and spit in the back of my car. I then removed him and he was then transported in the transport wagon and booked on several charges.</p>		DELANO, J. A.
