Officer Barnes opened the passenger side door and was able to get the offender to respond. He stated he was sleeping but appeared to be under the influence of narcotics due to his hands twitching and his conversations. The offender stated he lived at 2451 Taylor and told us he could take us inside. The offender voluntarily exited the vehicle and I asked him if I could pat him down for weapons and he allowed me to do so. In his right front pocket I felt a cylindrical glass pipe that I recognized through my training and experience as a pipe used to smoke methamphetamine. The offender stated it was a pipe before I removed it from his pocket and was asking not to be arrested. I removed the pipe and observed charred burn marks on one end and a white powdery residue inside. No other narcotics were located so the offender was issued a citation and released, but he did admit to smoking methamphetamine earlier in the day.
