D. Handicap Parking

1. Request approval for the following:

a. 843 MONROE AVE

El White

Property has a rock drive off of the street in the front of the residence, which is on an incline and is in poor/wet condition. Applicant indicated she has fallen to the ground trying to access her home from the drive and she is no longer capable to using it. Property has ample room to install an on-street "Handicap" parking space.

b. 216 W LOUISIANA

Ryan Lively

Property has a garage and concrete walk to the rear door. Applicant is currently undergoing medical treatments and the doctor recommendation has asked for a temporary "Handicap" parking space in front of his home. Property appears to qualify for a temporary "Handicap" parking space.

c. 1002 BAKER AVENUE

Jacquelyn Dixson

Property has a rear grassy parking area with a concrete path to the rear door, which does not appear to be usable during the wet seasons. The front of the home has two sets of handrails installed to help the resident into her home. Property has ample room for the installation of an on-street "Handicap" parking space and appears to qualify based on the unusable wet parking limitations and front handrails.

d. 29 W IOWA STREET

Terrell Price

Property has rear garage with a concrete path to the rear door, which does not appear to be
