Reported: 05/21/2019.</p> <p>Officer was orginally dispatched to 904 N Weinbach Ave and the Victim had no witness information. At that time I was shown the rose trellis that was now knocked over and laying on the ground. It initially looked like the weight of the roses might have caused it to fall since all 4 posts that were in the ground were rotted out pretty badly. There was a dent in the post at the far northeast corner that wasn't explainable if this were the case though.</p> <p>I was called back later due to the Victim locating a Witness to what had actually occurred. The Witness said that he had been north on Weinbach Ave around 1pm when traffic was stopped due to a Dollar General Truck (truck #37392) making a U-turn in the middle of the street. While attempting to get turned around the truck hit the trellis, knocking it over and destroying it. A limb on the tree was also broken during the U-turn. It's quite likely that the driver of the truck had no idea that he had even hit the trellis due to the size of the truck. There was no description of the driver.</p> | | WILSON, M. R. |
