I asked Reeb why she had shown up at Denny`s and she stated that Zink had called her and told her that West was following him. When I asked her to explain why she would show up to Denny`s based on that information, Reeb stated that "all of this is over and was going to buy her (West) dinner".</p> <p>Reeb stated that there were no charges against Zink and everything had been dropped in court. I informed Reeb that there was an active Protective Order in place between Reeb and Zink and that it was not in her best interest to become involved in their issues.
