AMR arrived and the male refused services but refused to sign the refusal form. The male was asked several times to just go to the hospital to get evaluated, due to the possibility that he may have an internal bleed. The male continued to refuse service and did not want to go to the hospital. The male was extremely intoxicated and was not speaking logically. The male called his father to give him a ride home from the bar. The males father arrived and the male would not get into his fathers car. He was asked several times to just get into the car and he continued to act in a beligerent manner by raising his voice and saying that he was going to walk away. The male showed signs of slurred speech, unsteady balance, and smelled strongly of an alcoholic beverage. Due to the male possibly having a head injury and his state of intoxication, Officers believed the male to be a danger to himself. Officers placed the male into handcuffs and escorted him to the police vehicle to be transported to jail. Once the rear door to the police car was open, the male forcibly resisted by stiffening his body to avoid being placed into the vehicle. Force had to be used to place the male into the vehicle. The male would not sit up right in the vehicle, so he was transported to Deaconess hospital for jail medical clearance by the prisoner transport wagon. The male was evaluated by hospital staff and deemed safe for jail. The male was transported to the jail and was booked in on the above listed charges without any further incident.</p>	Boyd, Deonna Rochelle (B F, 32) VICTIM of Battery- Hff Domestic [am] (C), at 310 E Eichel Ave, Evansville, IN, between 14:00, 07/17/2019 and 00:28, 07/18/2019.
