<i>Intimidation Threat [am]</i>	<p>Allison, Emmett Jeffrey (B M, 31) VICTIM of Intimidation Threat [am] (C), at 5910 Brentwood Ct, Evansville, IN, between 22:00, 07/11/2019 and 23:42, 07/11/2019. Reported: 07/12/2019.</p> <p>I was dispatched to 5910 Brentwood Ct in reference to a verbal altercation between a resident (Victim) and the apartment maintenance man (Offender). The Victim stated that the Offender came over tonight around 2200 hours and started cutting trees down outside his apartment. The Victim said that the landlord had asked him to do this earlier in the week but he couldn't because the Offender had let someone borrow the chainsaw. The Offender was angry about the Victim telling the landlord about the chainsaw being missing so he came over tonight to start problems. The Victim had a partial video of tonight's incident as did some of the neighbors. In the videos the Offender is yelling at the Victim to come out to the street. The Offender makes several comments about fighting the Victim. The Victim is yelling at the Offender to come to him while he's standing on the sidewalk. Both are taking aggressive stances as if they are going to fight. Neighbors can be heard several times telling the Victim to stop when he starts to go toward the parking lot. At one point the Victim stated the Offender went to his truck and grabbed a metal pipe which can't be seen in the video. The Victim then asked a neighbor to hand him a metal baseball bat. They continue yelling at each other and the Victim walks out into the parking lot hitting the bat on the ground. The Offender then gets in his truck, a black Ford F250, and backs up at a high rate of speed toward the Victim before stopping. He pulls forward and then backs up again toward the Victim before leaving the area. The Victim jumped out of the way both times but also grabbed the bat and acted like he was going to hit the truck.</p> <p>The Victim stated he wanted to press charges against the Offender for threatening him and for acting like he was going to hit him with his truck. I explained to the Victim that the video showed him also encouraging the Offender to come after him. He stated he was just angry and was only wanting to defend himself. I advised him I would take a report in case any other further incidents and that he could contact the Prosecutors Office to discuss tonight's incident.</p>
