He suspects they came back last night and threw eggs at his car and a customer's truck. He said one egg hit his Charger's driver side door. He washed it off but said there was a small scratch. He showed me an egg that had not broken and requested that I try to get fingerprints off it. I told him we would not be able to do that.</p>		GOODMAN, P. H.

As I made contact with the offender I observed that he began grabbing toward his pants pocket. I preformed a Terry style pat down and felt that he had a glass pipe in his right cargo pocket.
