	<p>scene, I spoke to the victim, Christopher W.. Christopher stated that his father, later identified as Scott W. (listed as Suspect # 1), has been texting him threatening messages since yesterday evening. Christopher showed me several messages from a telephone number that he stated belonged to Scott. The text messages made specific threats telling Christopher to come down to his trailer (located at 2904 Arlene Ct.) and he would shoot him.</p> <p>I told Christopher that he would need to send Scott one last message telling him to stop texting him. I then went to 2904 Arlene and attempted to make contact with Scott to get his version of events and tell him to quit threatening Christopher. There was no answer at Scott`s address.</p> <p>I explained to Christopher that I would add notes to the run card and if the text messages continued after telling Scott that he didn`t want to talk to him anymore to call back.</p> <p>As I was adding notes to the run card, Scott began texting Cristopher again and continuing to threaten him along the same lines as he had been doing earlier. While talking to Christopher a phone call came in with the number that had been sending the messages. I spoke to Scott, (who identified himself) and asked if he would answer the door if I went back to his trailer and he said he wouldn`t. I told Scott he needed to stop calling and texting and he told me that the phone was his mothers.</p> <p>I gave Christopher the case # and told him the process for following up with the Prosecutor`s Office. While giving the case # to Christopher, Scott texted "I guess the police don`t have anything better to do that to harass me." I advised Scott to save any messages from this point forward to be used in court.</p>
