Reported: 10/31/2019.</p> <p>On 10/31/2019, at approximately 18:14 hours, the Evansville Police Department (EPD) was requested to the 2500-block N Kerth Avenue in reference to an assault in progress. The caller stated a male subject had sprayed him with Mace and could not see. Due to the nature of the injuries and the chemical used, officers requested American Medical Response (AMR) stage nearby to assist with decontamination.</p> <p>Officers arrived on scene and located the caller, identified as the victim, along with a friend of his who had arrived on scene. It was apparent he was in pain from being sprayed on the face with a chemical agent. He stated an acquaintance, identified as the offender, sprayed him on the face and was inside of 2506 N Kerth Avenue. Officers made contact with the tenants of the address and they stated the offender was not there. They allowed officers to search, but the offender was not located.</p> <p>AMR arrived and assisted the victim with decontamination. The victim reported he was seated on the corner of N Kerth Avenue / Negley Avenue, waiting for a ride from a friend. As he waited, the offender approached him and said something to him before spraying him on the face with a chemical agent he believed was Mace. The victim desired to pursue charges against the offender.</p> <p>A report was submitted to the EPD Misdemeanor Investigations Unit for follow-up. The offender was not located and no arrests were made at time of this report.</p>	THIRY, K. D.
