

FOR IMMEDIATE RELEASE

EVANSVILLE, Ind. (Dec. 5, 2019) -Cheryl Musgrave will seek a second consecutive term as District Three Vanderburgh County Commissioner. Musgrave will file at noon on January 8, 2020. The election is on November 3, 2020.

"I am excited about the accomplishments of the past three years," Musgrave said. "We have over \$80 million worth of investments in road, bridge, and trail construction underway. This is on top of over \$6 million investment into paving and patching existing streets and roads since 2017, an all-time high. I am proud to have taken a leadership role in the initiation of several of these projects."

"My focus on infrastructure includes the long process of bringing broadband connectivity to all citizens of Vanderburgh County," Musgrave said. Under Musgrave's leadership, Vanderburgh County was awarded the state's Broadband Ready designation. "Every home in Vanderburgh County should have access to fast and reliable Internet," Musgrave stated.

"Local government isn't flashy. It's about hard work and getting the fundamentals right," said Musgrave. "Once the fundamentals of infrastructure like roads, bridges, and broadband are in place, our community is positioned to grow. It has been an honor to serve and I will continue the hard work to bring more growth and good government in the next term."
