LW 2007333	<p>During the immediate search of the area (driver side) officers located a spoon with a white residue between the driver seat and the middle consol, where officers observed the male drop something. Officers also found a belt that was formed into a loop resembling a tourniquet. Officers collected all the evidence including the syringe and placed the evidence in an evidence bag.</p> <p>After being read his Miranda the male admitted to shooting up Heroin an hour before officers made contact with him. The male stated he shot up the Heroin on his left arm (officers observed a fresh track mark on the male's left hand). The male stated he took 1/10 of the heroin he received. Officers did not locate the Heroin in the vehicle or on his person.</p> <p>As time went on, the male became more and more uneasy on his feet and became showing more signs of being under the influence of narcotics (uncontrollable movements, slurring speech, and droopy eyes). Officers requested AMR and the male were transported to Deaconess Mid-Town for jail clearance which was later received.</p> <p>Officers were later informed the male tested positive at his previous emergency room visit for meth and opiates. The male was transported to VCCC where he was booked on multiple charges some with previous convictions. .</p>	<p>Society VICTIM of Narc-poss Marijuana, Hash Oil, Hashish, Salvia, Synthetic (C), at W Division St/garvin St, Evansville, IN, between 23:56, 04/17/2020 and 23:59, 04/17/2020.
