Case #	Description	(A)ttempted, (C)ompleted, (F)elony, (M)isdemeanor	Officer
[bm]	<p>On 5/8/20, officers were dispatched to 1600 N First Ave in reference a property damage accident. Ofc Beard and Hassler arrived before us and gathered the victim's information due to the b/m suspect leaving the scene. The victim stated that the driver of the vehicle that caused the accident left the scene before officers arrived.</p> <p>Hassler stated he watched video footage of a maroon PC arriving on scene just shortly after the accident and picked the b/m up. Hassler said the male was gone before he arrived. Hassler said a female driver in a maroon vehicle, stated she was driving the vehicle that was involved in the accident.</p> <p>We arrived and gathered video footage and photo's, with my body cam, of the incident that occurred on the parking lot. I was able to observe a b/m driver park in a designated parking spot, exit the vehicle and go into the store. After a few minutes, the victim pulled into a spot at the pumps. The b/m exited the store and is seen getting back into the driver's seat of the vehicle that cause the accident. The victim finishes getting gas and proceeds in leaving the parking lot. The b/m driver starts to back out of the parking spot and strikes the victim's vehicle. Ofc Schmitt and I were able to see that the video was accurate with what the victim stated. The female (IO) that arrived on scene was unhappy with the outcome due to her sticking to her story.</p> <p>The b/m was wearing a red T-shirt, Jeans and black hat. He left in the maroon PC that arrived on scene. The b/f (IO) who arrived was driving the maroon vehicle that arrived after the accident had occurred. All the footage and photo's were documented on my body cam due to the clerk not knowing how to run the system.</p>
