Reported: 08/26/2020.</p> <p>On 08/26/2020, at approximately 09:29 hours, the Evansville Police Department (EPD) was requested at 1305 N Garvin Street in reference to a general complaint. The caller reported a neighbor had been mowing their yard, struck a rock with their mower and the rock shattered a window on her vehicle as she was parking.</p> <p>Officers arrived on scene and met with the caller, identified as the victim. She had reportedly pulled in front her residence at the above address with her daughter and as they stopped the vehicle, the right rear passenger window shattered. The neighbor at 1303 N Garvin Street was mowing his front lawn.</p> <p>The victim reportedly exited her vehicle and spoke with the neighbor, later identified as the possible offender. She stated her vehicle window shattered as she was stopping in front of the residence and believed he struck a rock with the lawn mower, which shot the rock toward her vehicle`s window. She reported the neighbor made comments such as, "I do not doubt it happened" and asked what needed to be done. The victim called her insurance company at approximately 08:55 hours and they asked her to obtain the neighbor`s property insurance information, such as his rental / homeowner`s insurance. Reported: 08/26/2020.</p> <p>On 08/26/2020, at approximately 12:13 hours, the Evansville Police Department (EPD) was requested at 308 Keck Avenue in reference to a family dispute. The caller reported her adult daughter spit on her face and grabbed her arm.</p> <p>Officers arrived on scene and located the caller, identified as the victim, sitting on the steps of a neighbor`s porch. She complained of pain to right arm from where her daughter, identified as the offender, had reportedly grabbed her arm. A small abrasion / red mark was observed on her arm, but it was not apparent whether the mark was an injury or something else.</p> <p>The victim reported she and her daughter had been arguing and the situation escalated when her daughter reportedly spat on her face. The victim reported she grabbed a broom and threw it. Lastly, she reportedly told her daughter she was calling 9-1-1 and her daughter grabbed her arm in an angry manner.</p> <p>Officers spoke with the victim`s daughter, the offender. She and her boyfriend reported the same circumstances. She reported her mother was angry at them because they took longer than expected at a doctor`s appointment and returned with the victim`s vehicle later than she had liked. She reported they argued and her mother grabbed a broom and acted as if she was going to strike her with it. The broom was located laying in the front yard of the residence. The offender denied spitting on her mother`s face and stated the argument never became physical. No injuries were observed on her person.</p> <p>Given the totality of the circumstances and no independent witnesses, it was impossible to determine what actually transpired and if anyone was actually injured by the other. Given that information, an arrest did not seem warranted at time of this report.</p> <p>The victim was advised of the process to seek a protective order against her daughter, which would help with an eviction if she so desired. The victim was staying with her boyfriend at another address, was able to gather property and leave prior to officers departing the scene.</p> <p>Photographs were taken of the mark on the victim`s arm and a report was submitted to the EPD Domestic Violence Investigations Unit for follow-up if necessary.</p>		THIRY, K.
