Bradley began walking South to the edge of the parking lot then layed down and attempted to sleep. I notified one of the Hucks employees and showed them where Bradley had layed down. I asked the employee if they wanted him trespassed to which they stated they did. I placed Bradley in handcuffs and requested the EPD Transport Wagon. Upon the arrival of the Transport Wagon, Bradley let his body fall limp and refused to stand up or walk to the Transport Wagon. Officers had to pick Bradley up and place him in the back of the Transport Wagon. Bradley was transported to the Vanderburgh County Confinement Center. At the Vanderburgh County Confinement Center, officers requested a restraint chair, which would make it easier to move Bradley around while at the jail. Bradley refused to sit down, allowing officers to properly restrain him in the chair. Bradley physically stiffened his legs again making it difficult for officers to properly restrain him. Vanderburgh County Correctional Officers deployed a drive stun from one taser, allowing officers to strap Bradley's leg to the restraint chair. Bradley was booked on the above charges.</p> <p>Ward, Sara Marie (W F, 28) VICTIM of Possession Of Stolen Property (C), at 1164 E Virginia St, Evansville, IN, between 23:50, 08/31/2020 and 00:00, 09/01/2020.
