Staley received a copy of this case number and was told we would be going to speak with Smitha, as well as checking the area for the male.</p> <p>We spoke with Smitha outside 2408 Conlin. Smitha stated she took Staley in after Staley told her she was being followed. After Staley left, Smitha stated the male came to her house and asked for Staley. Smitha stated the male said Staley owed him money. Smitha stated the male seemed like he may have had developmental issues. Smitha told the male that she did not know what he was talking about and sent him away. Smitha stated she last saw the male walking east on Conlin toward Edson.</p> <p>After speaking with Smitha, Officer Klein and myself drove toward Edson. I located a male matching the description given at Stevens and Cass. The male was identified as a juvenile that lived at a nearby address. The juvenile was returned home and officers spoke with the juvenile and his mother.</p> <p>The juvenile stated he walks the neighborhood everyday, but was out jogging today. The juvenile told officers he noticed he had money missing from his pocket, when he saw Staley reaching for something on the ground near her dog. The juvenile stated he thought Staley might have picked up his money so he followed her to ask her about it.</p> <p>As Officer Klein and myself spoke with the juvenile, he seemed to change his story when asked about why he didn't mention the money when Staley spoke with him. The juvenile stated he was nervous. The juvenile was also asked why he went to Smitha's house saying Staley owed him money. The juvenile stated he thought Staley lived there. The juvenile couldn't remember exactly what he said to Smitha, but he believed he said "she has my money".</p> <p>The juvenile and his mother were informed that a report was being taken and the juvenile was released to his mother.
