<i>Theft</i>	<p>On 10/26/2020, at approximately 09:19 hours, the Evansville Police Department (EPD) was requested at 201 E Louisiana Street in reference to a theft report. The caller reported someone stole a donation jar with money inside.</p>		
	<p>Officers arrived on scene and met with the employee, identified as the reporting party. He reported someone stole a donation jar containing money from the counter and showed officers surveillance footage. The incident occurred on 10/23/2020 at approximately 08:29 hours, according to the video`s time-stamp. The footage showed a white male, identified as the offender, act as if he was talking on a phone, showed him look around for surveillance cameras and eventually showed him taking the donation jar from the counter prior to leaving the business.</p>		
	<p>A replacement jar had been placed at the business and officers learned the donations were for a woman, identified as a victim, battling Leukemia. The reporting party contacted the woman`s husband, also identified as a victim, and allowed officers to speak with him.</p>		
	<p>The husband reported his wife was currently at Vanderbilt for treatment in reference to a Leukemia diagnosis. He reported the business owner allowed him to place jars at several business locations to help with food and other costs incurred by his wife`s treatment. He reported he arrived at the business earlier this morning to check the jar, only to realize it was missing. He and the staff reviewed surveillance footage and located the footage described above. He was understandably quite upset, reported the male suspect was possibly a frequent at the business and wanted to pursue charges against him. He knew there was at least \$30-\$50 in the jar when he last checked it a couple of days ago.</p>

He wore a black long sleeve shirt, light colored blue jeans and black "skater" shoes with white soles. He may frequent the business and area.</p>		
	<p>Although the incident was a misdemeanor since the value of the theft was less than \$750, the report will be submitted to the EPD Adult Investigations Unit for follow-up given the nature of the incident. The reasoning is due to good suspect footage and a quicker follow-up response from investigations. No arrests were made at time of this report.</p>
